Canadian-based Seagull guitars has flown into Summer NAMM with its Seagull Entourage package.

The Entourage package offers two models based upon the S6 Original Slim and the Mini Jumbo. Both guitars feature new plumage in the form of a new Rustic Burst, custom polished finish on wild cherry back and sides with Indian rosewood tops. Along with a new integrated set neck system for increased stability while reducing warping and twisting due to climate changes, the Entourage guitars also feature select pressure tested solid tops.

Other features include a Seagull Slim Neck with a 1.72-inch nut, a new arched rosette, a cream double-lining, Tusq nut and fully compensate saddle.
